Our Escondido Facility

CareMeridian **Escondido** opened its doors in 1990. The 10-bed, 3800 square-foot facility is in a rural setting, just 40 miles from San Diego and 10 miles from the San Diego Zoo Safari Park. The staff plans monthly outings to nearby locations, as well as ongoing facility-based activities.

CareMeridian really is the **next best thing to home**. My wife is receiving better care there than we could provide at home – they have the resources, expertise and an absolutely wonderful staff.
