

## Our Mission

CareMeridian provides a continuum of high-quality, cost-effective post-acute care and rehabilitation options to people of all ages with brain, spinal cord and other life-altering injuries and medically complex illnesses. With program locations throughout the Western United States, CareMeridian offers a distinctive service delivery model, merging an experienced and skilled health care and rehabilitation team with state-of-the-art technology in community-based program settings designed to meet the unique needs of those we serve at every stage of their recovery.

CareMeridian is a partner of The MENTOR Network, a national network of local providers serving youth at risk, individuals with intellectual and developmental disabilities and people with brain, spinal cord and other catastrophic illnesses and injuries across the country.

## Our Funding Options

At CareMeridian, we strive to provide a higher-quality and lower-cost alternative, working closely with a variety of payors, including private insurance companies and workers' compensation specialists. We participate as an "In Network" provider for most major health plans and payors. Funding options include: HMOs, PPOs, Workers' Compensation, Private Insurance and Private Pay.

## Our Care Team

With an industry leading 1:4 staff-to-patient ratio, 1:1 therapy and 24/7 care, CareMeridian offers individualized care plans and personalized attention with our Interdisciplinary Treatment Team composed of: physicians; nurses; case managers; social workers; physical, speech, occupational and respiratory therapists; neuropsychological specialists; activities directors; and dieticians.

## Our Littleton Facility

CareMeridian entered the Colorado marketplace in Summer 2012 with its 36-bed facility in Littleton, a suburb of Denver. The 27,000 square-foot building features all private rooms in a natural healing home-like environment. The location offers a 1:4 staff-patient ratio, state-of-the-art equipment, individualized care plans and intense nursing of 9.5 hours per patient daily.

## Our Point of Difference

Unlike most post-acute care alternatives, CareMeridian provides a non-institutional-like environment, creating surroundings conducive to quicker recovery. Each facility features sophisticated equipment, outdoor therapeutic areas and personalized bedrooms to make our patients feel like they are at home.

CareMeridian has received accreditation by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO) and has been recognized for meeting the Commission's healthcare quality and safety standards.
