

CareMeridian provides a continuum of high-quality, cost-effective post-acute care and rehabilitation options to people of all ages with brain, spinal cord and other life-altering injuries and medically complex illnesses. With program locations throughout the Western United States, CareMeridian offers a distinctive service delivery model, merging an experienced and skilled health care and rehabilitation team with specialized technology in community-based program settings designed to meet the unique needs of those we serve at every stage of their recovery.

CareMeridian is a partner of The MENTOR Network, a national network of local providers serving youth at risk, individuals with intellectual and developmental disabilities and people with brain, spinal cord and other catastrophic illnesses and injuries across the country.

Our Funding Options

At CareMeridian, we strive to provide a higher-quality and lower-cost alternative, working closely with a variety of payors, including private insurance companies and workers' compensation specialists. We participate as an "In Network" provider for most major health plans and payors. Funding options include: HMOs, PPOs, Workers' Compensation, Private Insurance and Private Pay.

Our Point of Difference

Unlike most post-acute care alternatives, CareMeridian provides a non-institutional-like environment, creating surroundings conducive to quicker recovery. Each facility features sophisticated equipment, outdoor therapeutic areas and personalized bedrooms to make our patients feel like they are at home.

CareMeridian has received accreditation by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO) and has been recognized for meeting the Commission's healthcare quality and safety standards.
